DAC INTERNATIONAL AND TRACPLUS USA SIGN WORLDWIDE DISTRIBUTION AGREEMENT

ORLANDO, FLORIDA, October 7, 2008 – DAC International, Inc. and TracPlus USA Inc. announced today a worldwide distribution agreement that will see DAC International distribute TracPlus, a next generation tracking, messaging and data service.

TracPlus seamlessly integrates tracking and messaging data from a wide variety of third party tracking hardware within a single system, allowing an unprecedented level of flexibility and choice for aviation customers.

"Our customers are demanding reliable, worldwide tracking and data connectivity, and it was immediately clear that TracPlus delivers a seamless combination of innovative product and reliable service that our customers have come to expect" said Terry Armstrong, Vice President and Chief Operating Office of DAC International.

"TracPlus is the perfect complement to our GEN-X EFB" continued Armstrong.

"This agreement represents a significant milestone in our continued growth and expansion, and TracPlus USA's partnership with DAC offers unprecedented new opportunities for our aviation customers" said Chris Hinch, CEO of TracPlus Global Ltd.
